|   | <p>Take a book that your partner is reading and using a pencil, underline letters in a section of the book she has yet to read to spell out a love letter. For example in the following exert from a novel, the underlined letters come together to spell out the secret message "I love you"</p> <p>The palace was a labyrinth, their passage through it tortuous and interminable. Initially they passed from building to building under the sodden sky. Steve's feet ached; he might have laughed at himself, the tireless traveler, grown too soft from his months in the city to walk any proper distance. Abruptly the guards halted.</p> <p>The underlined letters will make your partner curious and with a bit of luck she will write them down. Spend time to encode a proper message such as "Dear Belinda, I love you honey"</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : <u>Recognition & Provision/“Experience”</u>: This is where you get to use your creativity, not your wallet. This type of thinking which does not take too much effort on your part should be developed. The surprise and mystery for her creates curiosity that is part of arousal.</p> |

|   | <p>Memorize one of Shakespeare's love sonnets and recite it to your partner when you are in a romantic setting like a botanical garden. Don't just suddenly start reciting poetry as this will just sound corny.</p> <p>While you are cuddling your partner, ask in a joking manner, "So is now a good time to recite a love poem to you?" She will probably say yes, expecting you to come up with something of the "Roses are Red..." variety.</p> <p>Instead, look into her eyes, smile and recite the sonnet while you gently stroke her face. Try the sonnet below. If this is too long, just memorize the first four lines and the last two.</p> <p>Shakespeare Love Sonnet 18</p> <p>Shall I compare thee to a summer's day? Thou art more lovely and more temperate. Rough winds do shake the darling buds of May, And summer's lease hath all too short a date. Sometime too hot the eye of heaven shines, And often is his gold complexion dimmed, And every fair from fair sometime declines, By chance or nature's changing course untrimmed. But thy eternal summer shall not fade, Nor lose possession of that fair thou owest, Nor shall Death brag thou wander'st in his shade When in eternal lines to time thou grow'st. So long as men can breathe, or eyes can see, So long lives this, and this gives life to thee.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : <u>Recognition & Contact:</u> This one is with cuddling (physical contact) and it would work over the phone (electronic contact) as well. This shows effort that you planned and prepared. If she loves a particular movie scene you could recite an actors lines or even a comedian's sketch. Laughter always is a winner!</p> |

|  | <p>If your partner has to work late, take a lunch box and fill it with some of her favorite things such as chocolates, herbal tea, cookies, a small teddy bear.</p> <p>Next, get a piece of paper and write</p> <p style="text-align: center;">"Michelle's Late Night Survival Pack"</p> <p>Draw a big red cross below this and stick the paper to the top of the box. Tell your partner to open the box when things get really tough.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : <u>Recognition:</u> This is part of taking care of her and you might consider it also a DO FOR activity. This will let her know she is cared for.</p> |

|  | <p>If you are walking by a park, visit the swings and give your partner a ride. This will often bring back happy memories from her childhood.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : DO WITH Almost any DO WITH activity that gives her a sense of freedom from day to day adult responsibilities will bring her back in touch with her inner essence.</p> |

|   | <p>Leave a long stem rose where your partner will find it with a note on it saying: "Thank you for coming into my life."</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : Recognition & Provision/"Experience": Variation on romantic ideas #3 and #6.</p> |
| Money= \$ Prep=P Effort = E | <h2 style="text-align: center;">ROMANTIC IDEA # 15</h2> |
|   | <p>If your partner is starting a new job, buy a copy of "The Sound Of Music" sound track. Tape the song, "I Have Confidence" onto a tape and add your own message at the end of the song saying, "Good Luck honey, I have confidence in you." Give the tape to your partner to play on the way to work in the car.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : Recognition & Provision/"Experience": Variation on romantic idea #12.</p> |
| Money= \$ Prep=PP Effort = E | <h2 style="text-align: center;">ROMANTIC IDEA # 16</h2> |
|   | <p>Buy a small decorated cardboard box, a sheet of colored tissue paper, some massage oil and a blank card. Line the box with the tissue paper. Place the massage oil in the box and write the following message on the card:</p> <p style="text-align: center;">I know a great Masseur. For an appointment ring: (Your Phone Number)</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : Recognition & Provision/"Experience"/"Present": This is great because there is anticipation of a future event of physical contact with a massage.</p> |

|  | <p>When your spouse has had a really long hard day, run a hot bath for her. Pour some fragrant bath oil into the tub and gently bathe her from head to toe. Carry her into the bedroom. Gently towel her dry and tuck her into a freshly made bed with a kiss on the forehead.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : <u>Contact & Provision/"Experience"</u>: This one is a winner for many reasons. It relaxes her, you give her attention and you might even "get lucky." Whatever brings her stress down (cortisol hormone) raises her love biochemical (oxytocin) and that increases the chance of her raised libido.</p> |
| Money= \$\$\$ Prep=PP Effort = EE | <h2 style="text-align: center;">ROMANTIC IDEA # 18</h2> |
|  | <p>For this idea you will need a CD player or iPod. If you and your partner have a favorite song, get a copy of it and take it with you when you go away for a romantic weekend. When you are in a romantic spot, ask your partner if she would like to dance. Place one earpiece in her ear and one in your own and enjoy your private dance floor. This technique is particularly effective if the romantic spot you have chosen is somewhere where people would not normally dance, for example, the top of the Empire State building at sunset or on top of a mountain during a camping trip.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : <u>DO WITH & Provision/"Experience"</u>: This can even be done without the cost of an expensive romantic weekend away. The preparation and effort to create intimacy will be appreciated.</p> |
| Money= \$ Prep=P Effort = EE | <h2 style="text-align: center;">ROMANTIC IDEA # 19</h2> |
|  | <p>If your partner has a pet that she adores, at Christmas, in addition to buying a gift for your partner, buy a small present for her pet.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : <u>Recognition & Provision/"Experience"</u>: By recognizing an extension of her whether it's a plant, child, pet, mother or accessory to one of her hobbies you can fill this idea.</p> |

|  | <p>Go for a walk on the beach. Trace out the shape of a large love heart in the sand. Sit inside the heart and cuddle your partner as you watch the sun go down.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : Contact, DO WITH, & Provision/"Experience": Anything that is free in the wallet usually takes more effort. This one will require time to drive and actually DO WITH her to have the experience</p> |
| <p>Money= \$\$ Prep=PP Effort = EE</p> | <h2 style="text-align: center;">ROMANTIC IDEA # 21</h2> |
|  | <p>Invite your partner to go for a walk. Get a back pack and pack the following items: A picnic blanket, a selection of fruit in small containers eg. strawberries, grapes, watermelon and kiwi fruit. Some cheese and crackers. Some sandwiches. A small tin of caviar. A half bottle of champagne and two plastic champagne glasses. If your partner asks what's in the backpack, just say a jacket and some lunch. When you find a romantic spot, ask if she would like to stop for a bite to eat. Open your pack and remove the items one by one to set up your picnic. The last item you remove should be the glasses and champagne.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : DO WITH & Provision/"Experience": Once again, planning, forethought and creating the environment of romance provides and memorable experience that you DO WITH her.</p> |
| <p>Money= zero Prep=PP Effort = EE</p> | <h2 style="text-align: center;">ROMANTIC IDEA # 22</h2> |
|  | <p>If you play a musical instrument, create a romantic environment in which to play for your partner. For example, let's say you play the saxophone. Contact your partner's roommate and arrange for her to make sure that your partner steps out onto the balcony of their apartment at exactly 9.30pm. Drive to her apartment and set up before hand. Place a large sparkler in the music holder of your sax and light it as your partner steps on to the balcony. Play something slow and romantic.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : DO WITH & Provision/"Experience": Variation on idea #23 with your added natural talent.</p> |

Say goodbye to her at the front door and then immediately send an email to her work address. The email should simply say, "Miss you already".</p> <p>The email will be in her in-box when she does her morning email check.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : CONTACT: There are many forms of electronic contact. It is the words that count.</p> </div> </div> |
| <p>Money= zero Prep=P Effort = E</p> | <h2 style="text-align: center;">ROMANTIC IDEA # 24</h2> <div style="display: flex; align-items: center;">  <div> <p>If your partner has long hair, take the time to brush it using long slow strokes. This is particularly effective after she has had a shower or when she is getting ready for bed.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : CONTACT: You might want to add a massage into this one.</p> </div> </div> |
| <p>Money= \$ Prep=PPP Effort = EEE</p> | <h2 style="text-align: center;">ROMANTIC IDEA # 25</h2> <div style="display: flex; align-items: center;">  <div> <p>On a special occasion like your partner's birthday, plan a treasure hunt for her. The fun begins when you suggest going for a walk on the beach. When you get to the beach, carry a small bag with you. The bag contains a bottle that you prepared earlier. Inside the bottle is a treasure map. To make the treasure map look authentic, burn the edges with a match. As you are walking, slip the bottle out of your bag and let it drop to the sand near the water's edge. You may have to pause and kiss your partner to do this unnoticed. Walk a little further up the beach then turn around and retrace your steps to 'discover' the bottle. On the map have a dotted line leading from the beach to a nearby cafe. At the cafe, your partner won't know what to look for so suggest that you just sit down and have a cup of coffee. When the waitress delivers the coffee, she suggests to your partner that she might find what she is looking for under the coaster. When your partner turns over the coaster she finds a key taped to the bottom. Obviously you will have to set this up before hand with the waitress. Most waitresses will be happy to help a romantic guy out with this type of thing. At the next stop on the map, your partner finds or is given a spade. Then at the last stop on the map your partner finds a large 'X' made up of two crossed sticks. She digs and discovers a locked box. The key unlocks the box to reveal her present.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : DO WITH & Provision/"Experience": Variation on idea #23 with some mystery and curiosity for good measure.</p> </div> </div> |

| <p>Money= zero Prep=P Effort = E</p> | <h2 style="text-align: center;">ROMANTIC IDEA # 26</h2> <p>Invite your partner on a date by sending her a plain brown envelope containing a tape. On the tape, record the Mission Impossible sound track and then record yourself saying, "Your mission if you choose to accept it is to make your way to Café Venoli, 123 Park Lane at 18.30 Eastern Standard Time. There you will rendezvous with a stunningly attractive man wearing a red carnation. The future of the free world is now in your hands. This tape will self destruct in five seconds." Then record <u>ten</u> beeps from a stopwatch and record yourself saying, "Would you believe ten seconds..." Its corny but it usually gets a laugh!</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : <u>Provision/"Experience":</u> Fun and intrigue go hand in hand. Keep her laughing. (Yes, I know, who uses "tapes" these days – just substitute the modern equivalent ~SR)</p> |
| <p>Money= \$\$ Prep=P Effort = E</p> | <h2 style="text-align: center;">ROMANTIC IDEA # 27</h2> <p>Contact your partner's family and ask if there was anything she always wanted when she was a little girl. For example if she always wanted a porcelain doll, buy one for her birthday. She will not only appreciate the gift but also the fact that you were thoughtful enough to find out what she always wanted.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : <u>Recognition & Provision/"Present":</u> This gets into the essence of what makes her tick. You might find out what she really wanted was a pair of boxing gloves...</p> |
| <p>Money= \$\$ Prep=P Effort = EE</p> | <h2 style="text-align: center;">ROMANTIC IDEA # 28</h2> <p>Organize a professional photo shoot to obtain a portrait of the two of you as a couple. Frame the picture and put it somewhere prominent. Remember to make sure you give your partner plenty of notice so that she can get ready.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : <u>Provisions/"Experience"/"Present" & DO WITH:</u> This one you can give as a present for her alone to get a certificate to get set of glamour shots of boudoir photos. You can also give her lingerie or a gift certificate for the lingerie as part of the present.</p> |

|  | <p>If your partner has voice mail at work or on her mobile, leave a message saying "Just wanted to let you know that I'm thinking of you." She will appreciate this anytime but especially when she is going through a rough period.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : CONTACT: Electronic contact when used wisely keeps her connected to you. The right words will surely put a smile on her face. Know her trigger words and use her special name.</p> |

|  | <p>Organize a mystery trip for you and your partner. Some travel agents will organize mystery packages where the destination of the trip is kept secret until you are actually on the plane or arrive at the destination.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : DO WITH & Provision/"Experience": A travel vacation with mystery and surprise keeps the arousal and curiosity up.</p> |

She will pull down the sun visor to use the mirror and be showered in rose petals and see your note.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : Recognition & Provision/"Experience": Forethought and taking action win the day and her heart.</p> |

|   | <p>When you and your partner are having an anniversary, buy two champagne glasses and get them engraved with your names and the date, for example:</p> <p style="text-align: center;">Tom and Kate 7 May 2008</p> <p>Go to the restaurant where you have made your reservations and request that when you and your partner arrive that your champagne be served in your special glasses. This will be a great surprise for your partner and a wonderful keepsake for you both.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : <u>Recognition & Provision/"Present"</u>: There are stories that specialize in engraved gifts. You've got to feel some kind of commitment to have your name engraved beside hers.</p> |
| Money= \$\$ Prep=PP Effort = EEE | <h2 style="text-align: center;">ROMANTIC IDEA # 37</h2> |
|   | <p>On a special occasion such as your partner's birthday, buy twenty-four red roses. Arrange to meet her at a specific spot in a shopping mall before going out for dinner. Get to the shopping mall early and position yourself around the corner from your meeting spot.</p> <p>Ask a guy who is walking by whether he would mind helping you out. Give him a rose, point out your partner and ask him to walk up to her and say, "Happy Birthday Meagan" and give her the rose and then walk away. Repeat this with eleven other guys. Choose guys who are not too good looking and choose guys of different ages. A nice touch is to have the last rose delivered by a small child who could even be accompanied by his parents.</p> <p>After the first twelve flowers have been delivered, approach your partner with the twelve remaining roses.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : <u>DO WITH & Provision/"Experience"</u>: I'd like to get an email from any guy that does this one or a variation of this idea. Please comment on my blog: http://lovebucketblog.com/romantic-idea-37/</p> |

|   | <p>Always listen for things that your partner reminisces about and jot them down somewhere. For example, perhaps she talks about the ice cream that she had from a particular shop when she was a little girl.</p> <p>When a special occasion comes along, check your list of things that your partner talks about and try to recreate one of them, for example, visit the shop and buy a tub of ice cream making sure that the name of the shop is on the container.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : <u>Recognition & Provision/"Experience"</u>: Variation of #27. When you remember things she says, she loves it. Use all tools to keep track of things especially electronic devices with date reminders.</p> |

|   | <p>Create a love montage by collecting some photographs of you and your partner, some ticket stubs of places you have visited and any other small odds and ends that have special meaning to you both.</p> <p>Take these items and get them professionally framed in a three dimensional montage. Alternatively, buy a frame and create a simple montage yourself.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : <u>Recognition & Provision/"Experience"</u>: This sounds like scrapbooking to me. If she's sentimental, she'll love it. Have a special place to keep mementos until you are ready to make the montage or just pullout the box once a year and take a trip down memory lane.</p> |
| Money= \$ Prep=P Effort = EE | <h2 style="text-align: center;">ROMANTIC IDEA # 40</h2> |
|   | <p>Buy an ornately carved wooden box which is lined with green or red felt. Find an old fashioned key and place it in the box.</p> <p>Next, get a small gold plaque and have it engraved with the words</p> <h3 style="text-align: center;">The Key To My Heart</h3> <p>Fix the plaque to the inside of the top of the box so that it can be read when the box is opened.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : <u>Recognition & Provision/"Present"</u>: I realize that this version of the Recognition Icon Ring of Desire has the words "thank you." It was supposed to indicate words being used and so often a woman wants to be recognized for what she does for her man so "thank you" was chosen. Also, he words don't have to be engraved on a plaque; a nice font on quality paper may do the trick.</p> |

|    | <p>Buy a tree with your partner and plant it in a special spot. |  | <p>If you shower first in the morning. Steam up the bathroom and write a message such as "Pete Loves Kathy" on the mirror for your partner to read when she uses the bathroom. This also works on car windows when it's cold.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : <u>Recognition:</u> Words and gestures that keep the intimacy alive go a long way.</p> |
| Money= \$\$ Prep=P Effort = E | <h2 style="text-align: center;">ROMANTIC IDEA # 43</h2> |
|  | <p>As a special gift, name a Star after your partner. A number of astronomical agencies allow individuals to name stars and you receive formal documentation identifying the star that you have named.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : <u>Provision/"Present":</u> She may be more appreciative if a donation is made in her name to her favorite charity.</p> |

|   | <p>Find a comic strip that relates to something that you and your partner have shared together, for example perhaps you both work in the same office and you find a Dilbert cartoon that relates to the politics at your workplace.</p> <p>Enlarge the cartoon using a photocopier and use white-out to cover the cartoon text. Type up your own text that relates to you and your partner and paste it in the appropriate places and then photocopy the cartoon again so that it looks like your text was the actual text of the cartoon.</p> <p>For an added touch, get your customized cartoon laminated before giving it to your partner.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : <u>Recognition & Provision/"Experience":</u> Variation on #42 using a comic as a prop.</p> |

| <p>Money=zero Prep=P Effort = E</p> | <h2 style="text-align: center;">ROMANTIC IDEA # 45</h2> <p>When you and your partner are enjoying a restful time away, organize to wake up early one morning and go to a scenic spot to watch the sun rise. This may seem difficult but it is something which is definitely worth doing at least once. Seeing a new day being born is something really special to share with your partner.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : <u>DO WITH & Provision/"Experience":</u> Activities that share your time and bring in the awe of mother nature are great for bonding.</p> |
| <p>Money= \$ Prep=P Effort = E</p> | <h2 style="text-align: center;">ROMANTIC IDEA # 46</h2> <p>When you have access to a spa, create a romantic atmosphere by placing some candles around the tub and some rose petals floating on the surface of the water. As your partner enjoys the water, serve champagne and chocolate covered strawberries before joining her.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : <u>DO WITH & Provision/"Experience":</u> You can use a regular bath tub with bubble bath to create a similar environment.</p> |
| <p>Money= \$ Prep=PP Effort = EE</p> | <h2 style="text-align: center;">ROMANTIC IDEA # 47</h2> <p>Create some love coupons that your partner can exchange for romantic favors. For example you could have a coupon that reads</p> <p style="text-align: center;">This coupon entitles the bearer to: One Foot Massage. Use by 07/08/2045</p> <p>Use a date many years in the future if you want to suggest that you and your partner will always be together.</p> <p>COMMENT by Sherrie Rose, The Love Linguist™ : <u>Recognition & Provision/"Experience":</u> You can buy these type of coupon books if you don't have an artistic or creative flair. If you want it to be personal, pay a student artist to create it for you with your guidance. The idea of receiving so many great future possibilities is fun.</p> <p>Use love coupons for incentives. Create a stack of coupons and when a task needs to be done that is no on the fun list then select a coupon as your prize for completing it to get romance as a reward.</p> |
